Statutory Assessments

Year 1 phonics

This check has now taken place and results submitted to the Local Authority. These results will be available with annual reports.

Year 4 multiplication

The national multiplication check takes place in June, Please keep practising your tables on TTRS. Soundcheck game on TTTS is based on the check the pupils will complete. Remember you have time to think, it's not about speed, it's about accuracy. This has not taken place yet, so keep practising.
