### Bags 2 school

A reminder that Bags 2 School will be collecting **next Thursday**. Please send in your bags anytime from now. Clothes, bags, shoes, soft toys, bedding, curtains & towels are able to go in the bags. School receives money for each kg collected, so the more items we have, the more money school receives. Thank you.

### Sponsored Read

A huge thank you and well done to everyone who took part in the sponsored read over the Easter Holidays. A total of 16 children in the school took part, raising between them a fantastic £429.10. The PTA will top this up to £600 so that we can get the maximum freebies from Usbourne and will mean that school will have £960 to spend on books for the new library.

### Kanga—After School Club

Kanga have been in school today giving a taster session of their next after school club—Striking & Fielding Games. Your child has brought home a letter and consent form. This is open to every child at a cost of £40.50 (as it will run for the remaining 9 weeks of the summer term). Please return together with payment if you would like a place.

### Safeguarding

Please be mindful of parking outside school, or even just stopping for a short time as this is not allowed on the zig-zags between 8am and 5pm. As the weather is getting better, please consider walking to school, even if it's from the village hall.

### Governor Vacancy

Did you get an opportunity to read the email which was sent last week regarding the parent governor vacancy? It would be great to have a full compliment of governors supporting our amazing village school.

### Gargrave Lands Charity

If you would like help in paying for things such as school residential trips, please contact Mrs Aldous who will be happy to talk you through what the above charity may be able to offer.

If you are interested, please contact him on 07401 768356 or email [cravenschoolofmusic@hotmail.co.uk](mailto:cravenschoolofmusic@hotmail.co.uk). ### Planning Application

You may have seen the planning application poster on the front fence of school. This is to replace the fencing that runs along the canal boundary (once the Canal and Rivers Trust have re-built the wall which has fallen down in places).

### Piano & Guitar Lessons

There will be no lessons next week due to SATs in school. County Music advise that they allow for 28 lessons in a full school year but the teaching calendar allows for 32 weeks to provide lessons, so a small number may be missed by a music teacher and the minimum number still be offered. They will check at the end of the school year to see if parents are due a credit or refund for missed lessons.

In addition to the above, Mrs Turvey (our own music teacher) can provide lessons on a Thursday through a private arrangement - please speak to Mrs Aldous if you are interested.

### Cycling

Year 5's are taking their cycling awareness on 29th & 30th June and they will need to have a road worthy bike and helmet. Please speak to us ASAP if you do not have these.

### Local Walks

On last year's questionnaire parents told us that they would like more local walks linked to the curriculum. We are going to take the year 4 and year 5 to Malham along the Pennine way (details to follow). We are also going to walk the whole school (except year 5 because they are cycling) to the Trig Point and back. There is no need to prepare for either apart from having comfy shoes which they have done some walking in prior to these walks.
