### Welcome Back

It's nice to welcome the pupils back and to hear of everybody's Christmas break. This half term is 6 weeks with school closing on Friday 13th February for 1 week.

### SIAMS Report

As you know we were inspected just before Christmas. We are happy to say that the inspector was very pleased with what he saw and heard in school after talking to staff, pupils and parents. The full report is attached to the email along with this newsletter, but in essence concludes that "Gargrave Church of England School is living up to its foundation as a Church school and is enabling pupils and adults to flourish."

### School Closure

With the recent cold snap, it is an opportune time to remind you of our procedure in the event of school closing. If we do make the decision to close, we will email and send a text out by 8am at the latest on the day of proposed closure informing you.

If we have snow and ice and remain open, the front playground will have a path cleared and gritted for safety. We risk assess the rest of the school grounds and make adjustments where we see fit e.g. children enter school through the main entrance if the back playground is slippery. We always check again before playtimes and lunchtime.

### Kanga—Multi Sports

Kanga have made the decision to go digital—letters and money.

They will be running a Multisports Club starting next Monday (12th) for 5 weeks for children in Year 1 to Year 6. Please see the attached letter detailing how to apply and pay for a place.
