Coronavirus

You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your children should not continue to attend school as normal.

What action you can take

A UK wide campaign has been launched to provide clear advice on how to slow the spread of Coronavirus.

Please help to support the campaign which promotes basic hygiene practices, such as regularly washing hands and always sneezing into a tissue, to stem the spread of viruses.

Rugby with Hedley

Hedley will deliver 5 lessons to Sycamore class and Oak class this term. Then hopefully the younger pupils will have an opportunity for rugby.

Reception Balance Festival

Wednesday 4th March. We haven't been sent any details, but the plan is to take the pupils on Emmadale minibus to Skipton and return for the end of the day. The pupils don't need anything different to normal.
