Communication

The newsletter will be issued fortnightly, continuing on a Thursday. This is our main way of communicating, so please take note, and ask questions where you aren't sure. Next issue will be on Thursday 12th October.

Thank you so much for retuning the forms, this enables us to up-date our data base. It is invaluable in creating lists for staff detailing collection arrangements and health/allergies. If we haven't yet received some of the forms, copies are attached. Please return tomorrow so that these lists can be finalised. If there are changes during the year please write them down and hand in at the office.

Illness

There is a violent sickness bug going around school, we have emphasised the need for good hand washing in school. If your child is ill through sickness or diarrhoea they must have 48 hours clear before returning to school. We also have a case of chicken pox- so keep a watch for spots.

Bike/Scooter Safety

It is great to see so many on bikes and scooters entering and leaving school, but children must wear cycling helmets to school and away from school and must not cycle in the school grounds.

Harvest Festival—Tomorrow

Please bring donations of fruit and vegetables, cans and produce into school to complete our boxes for the nursing homes.

Church service is at 9.30am and then you are welcome to stay for drinks and refreshments afterwards. Donations for Macmillan as it's their coffee morning date.

Dogs

Concern has been raised about dogs being left unattended tied to the school fence. Children like to pet these dogs and it can be very overwhelming for the animal and may cause it to act out of character. If you do bring your dog to school, please do not bring it into the school yard OR leave it unattended at the school gate.

Census Day—5th October 2017

The school receives money each year for children who have a universal infant free school meal (UIFSM). These numbers are gathered on census day which is 5th October this year. We are asking that all children in **Apple and Ash** class **TRY** a school meal on this day only. They may still bring their packed lunch as a backup if they do not like the meal but it means that the school receives the maximum funding for the rest of the year. Please let Mrs Aldous know if you would prefer your child **NOT** to try this option. We appreciate your help as every penny counts in these days of ever decreasing school budgets. Thank you

EYFS/KS1 Reading Evening (Tuesday 10th October)

All parents from Apple and Ash classes are invited to a reading evening. This is an opportunity to find out how we teach reading and how you can help your child at home. This will take place on Tuesday 10th October at 3.30pm in Ash class. All welcome.

Cross Country Running (Thursday 5th October) 4pm onwards

Minnie, Emily, Ethan, Reece and Maddie who were successful in the first round and received a letter should know the details of the event at Giggleswick on Thursday 5th October. Please ask if unsure. Mrs Peel will be there to support and guide

PTA AGM (Tuesday 3rd October)

Please join us at 2.30pm in school for the PTA AGM. If you have an interest in joining the committee, have any ideas for future events or would just like to know what we do and wish to help out when you can, please come along and support us. All are welcome.

Heather Bullock's Lady's Fitness Classes

Due to the additional classes I have added, I now have a few spaces open up in my Mums and Ladies Fitness classes that I run from the school hall on a Monday evening. They have proven to be popular with Ladies from Gargrave, Malham and Skipton and I'd like to offer the places locally first.

The classes are..... Dance Cardio 7pm-7.45pm
Deep Core Strengthening 7.45-8.30pm

£5 each or £8 for both classes.

To book your place or for more information on these or our other classes please contact me through facebook; @sirenfitnessuk or via our website www.firehousestudios.uk/fitness or you can call me on 07814 887071.
