### Philosophy for Children School Award

Gargrave School is the latest UK school to receive a SAPERE Bronze school award in recognition of our commitment to the Philosophy for Children (P4C) pedagogy. P4C is a powerful approach to learning and teaching that boosts children's reasoning, social skills, and overall attainment. Children are taught how to create their own philosophical questions. They then choose one question that is the focus of a philosophical enquiry, or dialogue. The teacher, as facilitator, supports the children in their thinking, reasoning and questioning, as well as the way children speak and listen to each other. Mrs Holme has led the way in obtaining this award.

### Curriculum Overviews

These are included detailing the nature, objectives and summary of the curriculum and a timetable. Class teachers are able to discuss in more detail if you have specific questions.

### Governor Vacancy

We have a vacancy for a parent governor. Please see the attached for more information. The skills that would be of interest to the governing body (as identified in our skills audit) are:

- Ability to interpret data
- Leadership experience in education, governance or another sector
- Experience of change management and project management
- School financial management
- Experience of school sector HR policy and processes
- Literacy, maths or other curriculum interests

If you are appointed, you would be required to complete a skills audit (which is carried out annually by all governors) and sign the National Governors Association Code of Conduct.

Children, parents, staff and residents of Gargrave are cordially invited to the World Premier of **Our Rivers Recovery and Renewal** on Saturday 19th May at 4.00pm in Gargrave Village Hall.

The Environment Agency has recently published a film to celebrate the work we are doing to return salmon, eels and other wildlife to Yorkshire's rivers. Fisheries experts from the Wild Trout Trust and Aire Rivers Trust will be on hand to help answer any questions. Gargrave and the River Aire features prominently in the film and includes Year 6 children of Gargrave Primary School.

If you would like to attend please arrive by 3.50. The event will finish at approximately 4.30. Bring your own Popcorn!
