Collaboration

We have had two joint staff training, looking at on-line calendars and sharing files electronically, making the most of outdoor learning, vision, aims of the schools and priorities. We are establishing communication systems that work for all groups as we work collaboratively across two schools.

If you have questions about the learning and progress of your child, you should ring or e-mail school on 01756 749433 or admin@gargrave.n-yorks.sch.uk, or speak directly to your child's class teacher.

I am the head teacher of both schools. I am responsible for both settings independently of each other. However, I can't be in two places at once. There will be a pattern of one day one week and two the next in Kirkby, the rest in Gargrave. These days will change due to commitments. However I shall be contactable and respond accordingly to questions and queries.

We know that parents are a key strength and your support is invaluable, thank you. Day to day communication is via the planner, so please use this. This needs to be signed every week and every child needs to take it to and from school every day. Every child should read every day, for 10 minutes minimum and recorded, older pupils may record it themselves. Please familiarise yourself with the planner, it states the vision for the school, holiday dates, uniform expectations, home-school agreement (please read and sign), school rules and anti-bullying. At the back of the planner are some useful pages on the Maths and English curriculum.

Kit

It is essential that the correct PE kit is in school for the half-term. Please also ensure that your child wears the correct school uniform, including school shoes (Not trainers) during the day. If your child is ill we require a phone call by 9:15am as we operate a first day contact system.

Behaviour

All pupils are expected to behave well in school and we appreciate your support in ensuring that this happens. They should be aware of the school rules (in planner) and make the right choices. When this doesn't happen, we would like your support in re-enforcing the expectations. This is essential for good learning and maximum learning opportunities. We are determined to deal with poor behaviour.
