

## What We Offer

The club offers a wide range of practical activities. The ratio of staff to children is 8:1, meaning we can take a maximum of 16 pupils in any one session. The Club is thriving and is a marvelous facility for the school to be able to offer. It has the full support of the Governors and the Headteacher.

The club is currently open Monday-Friday 7.30am until school starts at 8.55am and every evening from 3.15pm-6.00pm.

## Our Mission

Our club provides a happy, safe, flexible, reliable and low cost child care during term time. It is a childcare facility that offers sessional care - before and after school hours. We offer your child a safe, stimulating place in which to play or take part in activities and crafts. The club is not open access so the children must be registered with the group and be collected by parents/carers.

The club's staff are well trained, experienced and caring. We never forget the scale of our responsibility to the children, parents and staff who form our small community. We are committed to the children in our care and we never forget why we look after children: because we enjoy it!

## Our Aims

We aim to provide the best choice of out-of-school activities available, offering diverse opportunities for relaxing and having fun,

both inside and outdoors. Children are active in directing their Club, and we support their involvement which gives them a sense of ownership of their Club. We support children's

ongoing learning to support the school curriculum and supervising homework. We offer children freshly cooked, wholesome food daily. Our Club is well maintained and organised to help a child feel at home. We are always investing in new equipment to ensure we are well-resourced.

## Breakfast and After School
