

This term we have had a lot of fun with grammar working as Grammar Detectives - the current top super sleuths on our working wall are Nicholas and Cara.

We have been eagle-eyed trying to spot interesting conjunctions and use them in our writing too. Pictured below are Becca and Oliver showing us how to use grammar correctly in our writing. Our Super-star spellers helped remind Oliver that he needed to edit his writing and add 'h' to his spelling of 'when'. Oliver is VERY proud of his writing on the *Boys Can Write* display wall - if you haven't seen it yet, please take a look where you can also see some examples of writing by Isaac, Freddie and Euan.

Our whole school reading challenge is seeing us all keener than ever to read (thank you parents for signing planners and all your useful comments). On week 2 we were the class who read the most and we shall all be enjoying our subscription to the *Beano* as our class reward when it arrives in the new year.

We have been keen to explore lots of information books this term and being able to use reference books and indexes effectively will be really useful to us next term when we learn all about the Romans.
