The Governing Body of **Gargrave CE (VC)**School

adopted this policy on **December 15th 2015.....**

Formatted: Superscript

Policy	Guidance
<p>1.0 Opening Statement</p> <p>The aim of this policy is to help maintain and improve the quality of education provided for pupils in the school by ensuring that the contribution of all staff, both teaching and support, is valued and that staff receive recognition for their work in relation to their performance.</p> <p>This policy will assist the Governing Body in managing pay and grading issues within the school in a fair and transparent manner, whilst having due regard to the constraints exercised by the annual budget allocation.</p> <p>The Governing Body supports the principle of equality of opportunity in employment. In its operation of this policy it will endeavour to ensure that staff receive equal treatment irrespective of their age, gender, race, colour, ethnic origin, family commitments, marital status, sexual orientation, disability or religious beliefs.</p> <p>All pay related decisions will be taken in compliance with the provisions of The Equality Act 2010, The Employment Rights Act 1996, The Employment Relations Act 1999, The Employment Act 2002, The Employment Act 2008, The Part-Time Workers (Prevention of Less Favourable Treatment) Regulations 2000, The Fixed Term Employees' (Prevention of Less Favourable Treatment) Regulations 2002, The Agency Workers Regulations 2010, all as amended.</p>	<p><i>This should cover the aims of the policy; it should also contain a statement of commitment to the principles of equality of opportunity.</i></p>

<p>Adjustments will be made to take account of special circumstances e.g. absence on maternity or long-term sick leave. The exact adjustments will be made on a case-by case basis according to the circumstances but may include taking a longer time period into account to gather evidence of performance.</p>	<p><i>It is illegal for employees on maternity leave to suffer a detriment for this reason.</i></p>
<p>2. Scope of the Policy</p> <p>The Policy will cover all staff employed on the payroll of <u>Gargrave CE Primary</u> School, irrespective of grade or conditions of service. It will have reference to those statutory instruments and other conditions of service which affect pay and grading, including, as issued and revised: -</p> <p>The School Teachers Pay and Conditions Document (The Document); The Conditions of Service for School Teachers in England and Wales (the ‘Burgundy Book’); The NJC for Local Government Services National Agreement on Pay and Conditions of Service (the ‘Green Book’ for support staff); The North Yorkshire County Council/Unison Collective Agreement and The JNC for Youth and Community Workers (the ‘Pink Book’).</p> <p>Any significant changes to this policy, other than those resulting from changes to the documents listed above, will be the subject of consultation between the Governing Body and the appropriate trade unions and professional associations represented within the school. Where changes are made to this policy they should be communicated promptly to all staff in a manner designed to draw</p>	<p><i>This should include:</i></p> <ul style="list-style-type: none"> - <i>who will operate it</i> - <i>whom it will cover</i> - <i>where it will operate</i> - <i>to what it will have reference</i> (e.g. STP&CD, conditions of service) - <i>who will be consulted</i> - <i>when it will be reviewed</i>

<p>their attention to the changes. The policy is subject to review annually or as otherwise required.</p> <p>The implementation, review and operation of this policy will be the responsibility of the Governing Body of the School, <u>this school has few committees and the performance management committee will have responsibility for the HT recommendations through its [finance/personnel/pay/other]sub-Committee (henceforward known as 'the Committee'), and advised by the school's Headteacher.</u></p>	<p><i>Useful information on teachers' pay is available at: Teachers' Pay and Conditions and for support staff at www.lge.gov.uk and via the NYCC staff intranet</i></p>
<p>3. Implementation</p> <p>It is intended that the school staffing budget will include an annual allocation to cover the total cost of existing and any additional planned salaries and any likely performance progression within Governors' discretion. Alterations to the school's Pay Policy will be proposed by the Committee to the Governing Body for final approval. The Committee, with delegated responsibility, will conduct an annual review of the salary structure of the school, with any changes normally taking effect from 01 September each year.</p> <p>The Committee will consider all matters relating to pay and grading within the school, for all staff. The Committee will be advised by the Headteacher, who will be required to withdraw when matters pertaining to his or her own grading and salary are being considered. This may include matters which could have a direct 'knock-on' effect on the Headteacher's pay, for example, the determination of the pay range for Deputies and/or Assistant Headteachers or other members of the leadership group. Governors employed at the school cannot be members of this Committee and any Governor with a financial or personal interest</p>	<p><i>This section should cover the involvement of governors in sub-committees, including terms of reference, and advice. This should include:</i></p> <ul style="list-style-type: none"> - <i>membership of committees</i> - <i>powers delegated to them</i> - <i>timing of pay/grading reviews</i> <p><i>This Committee may also be charged with appraising the Head under appraisal arrangements.</i></p>

in the matters being considered will be required to withdraw from such deliberations.

The Committee will determine pay and grading for staff within the parameters set by this policy in as fair and equitable a manner as possible, observing all statutory and contractual requirements. The Committee will determine the pay of each member of staff annually, and more frequently if appropriate, within the school's allocated staffing budget. All decisions of the Committee in relation to pay and grading will be clearly minuted. Decisions of the Committee will be communicated to those individuals affected, in writing.

The full Governing Body will receive the report of the Committee in the confidential section of the agenda and will endorse or refer back any proposals made. Teacher, staff and any other Governors with a direct or indirect pecuniary interest may be required to withdraw if any matters contained in the report are to be debated. It may also be appropriate, in some circumstances, if members of the Appeals Committee also withdraw.

The Governing Body will ensure that every teacher's salary is reviewed annually with effect from 01 September and no later than 31 October (or 31 December in the case of the Headteacher) and give them a written statement setting out their salary and any other financial benefits to which they are entitled. Reviews may take place at other times of the year to reflect any change in the basis for calculating an individual's pay. Any such revision should be accompanied by a revised pay statement within one month of the determination being made.

Schools should ensure that all decisions and the reasons for them are well documented at every stage. All pay decisions must be made on objective criteria so that there is no discriminatory effect on any group of teachers with a particular protected characteristic under the Equality Act 2010.

DfE advice is available here: [Equality considerations in relation to appraisals and pay](#)

Various template pay statements are attached at Appendix B

4. Staffing Structure and

Implementation Plan

The Governing Body will publish a whole school Staffing Structure. A copy of this document will be attached to the school's Pay Policy. Should it subsequently be necessary to propose amendments to the Staffing Structure, consultation will take place, as appropriate, in line with the school's Reorganisation, Redundancy and Redeployment Policy.

Where changes to the Staffing Structure affect teachers' pay they will be issued with a revised salary statement together with details of safeguarding (where appropriate) as per the requirements of the Document.

In line with the Rewards and Incentives Group (RIG) published 'Tool Kit'. Good practice should involve; an explanation of the philosophy behind the changes, present and proposed Job Descriptions being made available along with the new staffing structure, highlighting the three types of changes;

- 1. Identical positions, where staff can be 'pass ported' from the old to the new structure.*
- 2. Hybrid positions where certain staff who had previously had similar positions would be 'ring fenced' to apply.*
- 3. Totally new jobs open for anyone to apply.*

Also, the inclusion of a statement of commitment to a transparent process would be appropriate.

5. Salary Safeguarding for Teachers

The Governing Body is required to review the duties of any teachers who are entitled to safeguarded sums that in total exceed £500 and allocate appropriate additional responsibilities, commensurate with the safeguarded sum, for the period of safeguarding. The Governing Body will ensure that appropriate notice is issued of any new responsibilities which are being given to the teacher as work commensurate with their safeguarded sum. All such additional responsibilities allocated will be kept under review until the safeguarding period ends, when a decision will be taken about the future allocation of those responsibilities. Where a teacher unreasonably refuses to carry out additional responsibilities the safeguarded pay may be removed subject to at least one month's notice being given.

The Full Rules and Guidance on Salary Safeguarding are available in the Document at :[Teachers' Pay and Conditions](#)

<p><u>6. Pay Progression for Teachers based on Performance (including members of the Leadership Group and Leading Practitioners)</u></p> <p>Performance appraisal will be carried out in line with the Education (School Teachers' Appraisal) (England) Regulations 2012 including reference to the Teachers' Standards 2012. The arrangements for teacher and support staff appraisal are set out in the school's Appraisal Policy.</p> <p>In the case of Newly Qualified teachers (NQTs), whose appraisal arrangements are different, pay decisions will be made by reference to the outcome of the statutory induction process.</p> <p>In determining what, if any, incremental increase to recommend the appraiser will take into account progress against appraisal objectives and performance against the Teacher Standards. For those teachers with additional responsibilities e.g. TLRs and SEN allowances an assessment will also be made of the extent to which these responsibilities have been met.</p> <p>There is a responsibility on teachers and appraisers to work together. The school will establish a firm and objective evidence base in relation to the performance of all teachers. Teachers should also gather any evidence that they deem is appropriate to demonstrate the meeting of objectives, the Teachers' Standards and any other criteria (including application to be paid on the upper pay scale).</p> <p>The evidence to be considered should be made clear to teachers</p>	<p><i>The Governing Body is required to allocate appropriate funding for performance pay progression at all levels.</i></p> <p><i>It is critical for schools to establish a firm and objective evidence base and for teachers to be made clear, from the outset, as to the criteria on which pay recommendations will be based.</i></p> <p><i>Detailed advice is available from the DfE; Use of evidence in appraisals and pay decisions All teaching unions/professional associations have also published guidance.</i></p> <p><i>In considering DfE advice NYCC recommends that great care needs to be taken if any evidence has a high degree of subjectivity (e.g. feedback from colleagues, parents and pupils). It is important to take context into account. The focus should be on objective criteria as much as possible as the greater the degree of subjectivity, the more likely it will be open to challenge.</i></p> <p><i>Evidence used may include pupil progress records, planning</i></p>

outcome.

Schools may wish to consider adding the attendance criteria below to bring teachers in line with support staff. However, this element is at particular variance with the Professional Associations' stance and may therefore be robustly challenged.

2. *Additionally, teachers will also not receive an increment if their sickness absence exceeds stated limits:*

Period Max days in year 3 yr total limit

01.09.15 – 31.08.16	7	21
------------------------	---	----

Only if the maximum sickness absence is exceeded for the period then the 3-year total will be considered (current year plus previous 2 years).

Taking into account performance against the stated criteria, staff with headroom within the pay band will have pay progression withheld.

Increments will not be granted where staff do not meet the above criteria. However, exceptions will be considered for:

- *One-off absence of normally **not more** than three months where the individual has an otherwise excellent attendance record.*

Objective evidence based on progress towards meeting appraisal objectives, teachers standards and professional skills level descriptors* (called career stage expectations in 2012-2013) will be used as criteria. (see appendix B)

* pay progression within a band will be subject to good progress toward meeting the annual appraisal objectives, meeting the teacher's standards at the current skill level descriptor point and sustained progress toward meeting the criteria for the next skill level point.

Teachers who are paid on the upper pay scale and those paid on the leadership scale will also need to demonstrate substantial, sustained and highly competent performance as defined on page 26 of this document.

Evidence may include pupil progress records, any monitoring records including planning records, pupils' work scrutiny (including marking and assessment) and lesson observations.

Judgements in respect of Professional Skill Level Descriptors will be rooted in evidence and may include

- An increasing impact on pupil progress
- An increasing impact on wider outcomes for pupils
- Improvements in specific elements of practice identified to the teacher e.g. behaviour management or lesson planning
- An increasing contribution to the work of the school and beyond
- An increasing impact on the effectiveness of staff and colleagues

<p><u>This evidence will be used to make a judgement on performance which will be shared with the individual throughout the appraisal process and during the annual appraisal review.</u></p> <p><u>A performance which meets school expectations and criteria will receive a one-point increase within the pay scale, if headroom allows</u></p> <p><u>A performance which fails to meet expectations and criteria will not receive an increase</u></p> <p><u>A performance which significantly exceeds school expectations and criteria will receive a two-point increase within the pay scale, if headroom allows</u></p> <p><u>Teachers will not receive pay progression if their performance in the previous year did not meet teacher standards requirements, taking into account identified conduct or capability issues and appraisal outcome.</u></p> <p><u>Additionally, teachers will also not receive an increment if their sickness absence exceeds stated limits:</u></p> <table border="1"> <thead> <tr> <th><u>Period</u></th> <th><u>Max days in year</u></th> <th><u>3 yr total limit</u></th> </tr> </thead> <tbody> <tr> <td><u>01.09.13 – 31.08.14</u></td> <td><u>7</u></td> <td><u>21</u></td> </tr> </tbody> </table> <p><u>Only if the maximum sickness absence is exceeded for the period</u></p>	<u>Period</u>	<u>Max days in year</u>	<u>3 yr total limit</u>	<u>01.09.13 – 31.08.14</u>	<u>7</u>	<u>21</u>	<ul style="list-style-type: none"> • <i>Staff whose illness prevents them from attending their usual place of work and whose offer to work in a different capacity / location is unable to be accommodated by their manager.</i> • <i>Where an individual is injured in the course of their duties this will be taken into consideration unless the individual has been negligent of their own safety or wellbeing. Where the sickness absence is work related consideration may be given to it being exempt.</i> • <i>Disability Related Sickness Absence</i> <p><i>If the cause of sickness absence was related to pregnancy then this must not be taken into account in the employee's sickness absence total figure for assessment against the target figures.</i></p> <p><i>If a period of warning/under-performance crosses two appraisal years pay progression would be withheld only once (in the first year) provided that conduct/performance was acceptable in the remainder of the second year.</i></p>

- Disability Related Sickness Absence

If the cause of sickness absence was related to pregnancy then this must not be taken into account in the employee's sickness absence total figure for assessment against the target figures.

If a period of warning/under-performance crosses two appraisal years pay progression would be withheld only once (in the first year) provided that conduct/performance was acceptable in the remainder of the second year.

7. Grading and Salary Determination

Salaries will be determined in September 2015 in relation to the arrangements specified in the 2014 Document. Therefore, the performance related pay arrangements will be effective from September 2015, based on performance in the academic year 2014/15.

All pay scales referred to in this document reflect the mandatory increases to the minima and maxima of the pay scales and the discretionary 1% increase from 01 September 2015 as applied to all other pay points and allowances, with the exception of M6, where 2% has been applied and the exception of the top of the leadership pay range and the maxima of the 8 headteacher group ranges, where no uplift has been applied.

i) Leadership Group

All teachers paid on the Pay Spine for the Leadership Group are not eligible for Special Needs Allowances or for Teaching and Learning Responsibility Payments.

Following consultations NYCC strongly recommend the retention of existing pay scales for teachers i.e. 6 point scale for MPS, 3 point scale for UPS, 6 point scale for Unqualified teachers and 18 point scale for leading Practitioners. If schools wish to depart from these pay scales it is important to be aware that NYCC may need to make representations against this decision.

NYCC also strongly recommends retention of the 43 point Leadership Group pay spine.

This section should contain detailed provisions relating to the determination of salary levels within the school, including new appointments, or it may refer the reader to the detailed provisions of other documents, particularly the School Teachers' Pay and Conditions Document ('the Document')

it may be broken down to separately

When determining the leadership pay ranges for Heads, Deputies and Assistant Headteachers, the relevant body must take into account all of the permanent responsibilities of the role, any challenges that are specific to the role, and all other relevant considerations. The relevant body must ensure that there is appropriate scope within the range to allow for performance related progress over time

Whenever a new Headteacher, Deputy or Assistant Head is due to be appointed, or there are significant changes to a role, the following three stage process should be undertaken:

There is a 3 stage process for new leadership appointments or reviews in relation to significant changes

Stage 1 – Defining the role and determining the Headteacher group
Stage 2 – Setting the indicative pay range (the point at which the range will start within or, exceptionally, above the Headteacher group (for Heads only))
Stage 3 – Deciding the starting salary and individual pay range

Governing Bodies should use this stage to define the job and identify the broad pay range as a provisional guide to determining an appropriate level of pay.

They will need to define and set out the specific role, **responsibilities and accountabilities** of the post as well as the **skills and relevant competences** required.

Stage 2

Governing Bodies should use this stage to define the job and identify the broad pay range as a provisional guide to determining an appropriate level of pay.

They will need to define and set out the specific role, **responsibilities and accountabilities** of the post as well as the **skills and relevant competences** required.

At the end of this stage GBs should decide where in the broad range to position the indicative pay range and set this out clearly when they advertise the job. GBs should make an **overall judgement** on the position and breadth of range, allowing appropriate scope for performance-related progression over time, clearly linked to school improvement priorities and outcomes.

Stage 3

Deciding the Starting Salary and Individual Pay range

The first two stages provide the means for determining the appropriate pay range. The third stage is essentially about deciding on the starting salary for the individual who is to be offered the post.

At this stage you will have a preferred candidate for the role and will

wish to set the starting salary in the light of candidate-specific factors, such as the extent to which the candidate meets the specific requirements of the post.

It will be important for you to ensure that there is scope for performance-related progression over time.

Any person who advises on Leadership pay ranges should consider whether they have a direct or indirect personal interest in the outcome.

The Headteacher Pay Range must be a number of consecutive points on the Leadership pay scale within the school's group, (unless a higher payment is warranted – see paragraph below).

Pay ranges for Headteachers should not normally exceed the maximum of the Headteacher group. However, the Headteacher's pay range (where determined on or after 1 September 2014) may exceed the maximum where the relevant body determines that circumstances specific to the role or candidate warrant a higher than normal payment. The relevant body must ensure that the maximum of the Headteacher's pay range and any additional payments made under paragraph 10 of the Document does not exceed the maximum of the Headteacher group by more than 25% unless in exceptional circumstances and where supported by a business case and where suitable independent external advice has been first taken.

Determination of Temporary Payments to Headteachers

Headteachers

Upon planning to appoint a new Headteacher, the Governing Body will review the school's Headteacher pay range within, or exceptionally above, the appropriate school group on the Pay Spine for the Leadership Group. Upon appointment, the Governing Body will determine a pay point within the pay range for the Headteacher, in accordance with the provisions of the Document. This decision will have reference to the pay of other leadership group and upperayscale teachers in the school, so that appropriate differentials are maintained. Only in exceptional circumstances will the Headteacher pay range overlap with any other leadership pay range. A new Headteacher will normally be appointed to the first point on the Headteacher pay range but may be appointed to a higher point if circumstances make a

higher point appropriate. However, headroom for performance related pay progression will remain available within the range.

The Headteacher pay range for this school is ~~10-16~~

If a temporary payment is made to the Headteacher the reasons for and duration should be listed here.

The Committee will agree performance objectives with the Headteacher, after receiving the advice of their external adviser, in accordance with the prevailing performance management/appraisal legislation.

The Committee will review performance against objectives set for the preceding year and other stated performance criteria, again receiving advice from their external adviser. The Headteacher must demonstrate sustained overall high quality of performance in order to be considered for a performance point(s) increase. To be fair and transparent, judgements must be properly rooted in evidence and be made having regard to the most recent appraisal reviews.

Taking such performance into account, the Committee will determine whether no, one or two pay points are to be awarded for progression within the Headteacher's pay range.

Subject to the paragraph, below the governing body may determine that additional payments be made to a Headteacher for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined. In each case the relevant body must not have previously taken such reason or circumstance into account when determining the Headteacher's pay range.

The total sum of salary and temporary payments made to a Headteacher must not exceed 25% above the maximum of the Headteacher group, except as set out in paragraph 10.4 of the Document.

Temporary payments to Headteachers do not apply to additional payments made in accordance with:

- (a) paragraph 25 of the Document where those residential duties are a requirement of the post; or*
- (b) paragraph 27 of the Document to the extent that the payment is in respect of relocation expenses which relate solely to the personal circumstances of that Headteacher. All other recruitment and retention considerations in relation to a Headteacher must be taken into account when determining the Headteacher's pay range,*

In accordance with paragraph 10.4 of the Document, the governing body may determine that additional payments be made to a Headteacher which exceed the 25% limit only in wholly exceptional circumstances and with the agreement of the governing body. The governing body must seek external independent advice

Formatted: Font color: Red

Progression within the Headteacher's pay range will be effective from 01 September each year.

Where a Headteacher is appointed to be responsible for more than one school, the following arrangements will apply

Permanent Arrangement e.g. a federation with a single governing body or permanent collaboration:

The remuneration in such cases should be based on the calculation of the total number of pupil units across all schools, which will give a group size for the federation. The relevant body should then determine the Headteacher's pay range and appropriate starting point in that range according to paragraphs 9 of the Document.

The Headteacher's pay range (where determined on or after 1 September 2014) may exceed the maximum of the group where the governing body determines that circumstances specific to the role or candidate warrant a higher than normal payment. The governing body must ensure that the maximum of the Headteacher's pay range and any additional payments made under paragraph 10 of the Document does not exceed the maximum of the Headteacher group by more than 25% unless in exceptional circumstances and where supported by a business case and where suitable independent external advice has been first taken.

Temporary Arrangement e.g. a Headteacher takes on the post of Acting Headteacher at another school in addition to his/her existing post.

In such cases a fixed term variation of contract must be issued by the providing school.

before providing such agreement.

Under the Collaboration Regulations the governing bodies may arrange for a joint committee made up of governors from all the schools involved to be established to oversee the Headteacher's pay arrangements.

See Appendix A for guidance on pay progression decisions.

Where appropriate, the Headteacher may be awarded an additional payment as detailed on page 15 of this policy.

Remuneration of Other teachers affected

In all cases, consideration needs to be given to the remuneration of other teachers who as a result of the Headteacher's role are taking on additional responsibilities. This will be based on any additional responsibilities attached to the post (not the teacher). The additional responsibilities and their duration should be recorded. An increase in remuneration should only be agreed where the post accrues extra responsibilities as a result of the head teacher's enlarged role; it is not automatic.

Deputy Headteachers and Assistant Headteachers

The Committee will determine a pay range of a number of consecutive points from the Pay Spine for the Leadership Group for each Deputy Headteacher and Assistant Headteacher. The individual pay ranges set will reflect the relative responsibilities and job weight of the roles concerned.

A new Deputy or Assistant Headteacher will normally be appointed to the first point on their pay range but may be appointed to a higher point on their pay range if circumstances make this appropriate. However, headroom for performance related pay progression will remain available within the range.

The maximum of the Deputy or Assistant Headteacher's pay range must not exceed the maximum of the Headteacher group for the school,

The pay range of a Deputy Headteacher must be a number of consecutive points on the Leadership Pay Scale and should not overlap with the Headteacher's pay range other than in exceptional circumstances.

The pay range of an Assistant Headteacher must be a number of consecutive points on the Leadership Pay Scale and should not overlap with the Headteacher's pay range other than in exceptional

All other recruitment and retention considerations in relation to a headteacher, deputy headteacher or assistant headteacher – including non-monetary benefits – must be taken in to account when determining the pay range.</i></p> <p><i>See Appendix A for guidance on pay progression decisions.</i></p>
<p><u>ii) Leading Practitioners</u></p> <p>Schools may appoint Leading Practitioners (LPs) within their</p>	<p><i>Advanced Skills Teacher (AST) and Excellent Teacher (ET)</i></p>

staffing structures. The primary purpose of such posts is the modelling and leading improvement of teaching skills. This may include outreach work for the benefit of the wider teaching community.

There is no minimum service criterion for a Leading Practitioner.

Leading Practitioners are not eligible for Special Needs Allowances or for Teaching and Learning Responsibility Payments.

The Committee will select an appropriate pay range from the LP pay spine. Different Leading Practitioners in the school may be placed on different individual ranges in accordance with the responsibilities of their Job Descriptions. The range will be reviewed where there is significant change in the responsibilities of an existing LP. The Committee will have regard to the recommendation on pay progression recorded in the teacher's most recent appraisal statement when determining whether to award no, one or two pay points for progression within the individual range, effective from 01 September
In this school the pay scale and pay range(s) applicable to Leading Practitioners are as follows: -

Upon Commencement

The salary of teachers new to the school will be assessed and notified prior to commencement.

In this school newly qualified teachers will be paid as follows: -

Schools must select an MPS pay range between £22,244 and £32831.. NYCC strongly recommends that the pay scale opposite be adopted in order to safeguard schools and the LA against equal pay claims.

If and when the school exercises this right, it is very important that

M1-

The school reserves the right to set a maximum starting salary for teaching posts prior to advertising.

Subject to any maximum starting salary, this school will normally honour pay portability and hence teachers with previous teaching experience will normally be paid at the pay level of their most recent teaching post. In certain circumstances teachers may be paid at a higher or lower level than their previous teaching post.

Existing Teachers in the same school

The point on the pay scale of teachers continuing to be employed at the same school may not be reduced and any pay progression is permanent while teaching in the same school.

Pay Progression

The salary of main payscale teachers will be reviewed with effect from 01 September each year and each teacher will be issued with a salary statement by 30 November.

Governors will take advice about the performance of teachers from the Headteacher and must have regard to the recommendation on pay progression recorded in the teacher's most recent appraisal statement.

A recommendation for no pay progression in any particular year will not necessarily imply that a teacher is or should be subject to formal under-performance procedures.

the pay range and/ or maximum starting salary is clearly advertised and also appears in supporting recruitment documentation. Consideration should be given to the impact on the school's ability to attract the best candidate for the job.

Newly qualified teachers will normally be paid initially on the first point of the scale but may be paid on a higher point if they have previous experience relevant to their role.

Under normal circumstances teachers are unlikely to move posts for a lower salary. However in certain situations e.g. redundancy or moving to a new geographical area, a teacher may be prepared to accept a post at a lower salary in order to gain alternative employment.

The Governing Body has discretion to award points for experience other than as gained as a qualified school teacher.

This may include previous teaching in a City Technology College, a further or higher education institute and in independent schools. The governing body should have an agreed approach to this issue although each case should be considered on its merits. This should be included in the school's pay policy.

An example of such an approach, as recommended by NYCC, is stated below:

One point for each 3 years of relevant experience up to a maximum of two points;

Up to one point for partially relevant experience and/or relevant

Teaching and Learning Responsibility Payments (TLRs)

TLRs may be awarded for undertaking a sustained responsibility in the context of the school's staffing structure that is needed to ensure continued delivery of teaching and learning. Before awarding a TLR, the Governing Body must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers, and that -

- is focused on teaching and learning;
- requires the exercise of a teacher’s professional skills and judgement;
- requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- has an impact on the educational progress of pupils other than the teacher’s assigned classes or groups of pupils; and
- involves leading, developing and enhancing the teaching practice of other staff.

TLR 1 and 2

Before awarding a TLR1, the Governing Body must be satisfied that the significant responsibility referred to in the previous paragraph includes, in addition, line management responsibility for a significant number of people.

Where the Governing Body has approved a TLR post, in conformity with the criteria stated in the Document, the postholder will receive an appropriate TLR payment (from the implementation date) in accordance with the following levels of responsibility: -

Teachers who are unsuccessful in their Threshold applications may appeal against the decision in accordance with section 13 of this document.

Career stage expectations will be used as a benchmark for the evidence produced.

Upper Pay Scale

Teachers who are successful in their Threshold Assessments will move to point one of the Upper Pay Scale* and may be considered for further progression after an additional two years' service unless exceptional performance merits progression after one year** in line with the school's Appraisal Policy and paragraph 6 of this policy. Teachers will be assessed in accordance with the school's Appraisal Policy to determine whether their contribution to the school has been **substantial and sustained**.

The Committee will receive a recommendation from the Reviewer in this regard and will decide whether or not to award an additional point or points to eligible teachers. Once awarded, points on the upper pay scale cannot be removed during the teacher's employment in the same school.

Post Threshold Teachers are eligible for the same Allowances as other Qualified Teachers.

v) Unqualified Teachers

The following categories of unqualified teachers are allowed by law: -

- persons giving instruction in any art, skill, subject or group of subjects (including any form of vocational training) who have special qualifications and/or experience;
- overseas trained teachers;
- persons granted a licence under the provisions of Part II of Schedule 2 to the Education (Teachers) Regulations 1993⁽¹⁾ ;
- student teachers, teacher trainees who have yet to pass the skills test and those undertaking employment based teacher training leading to QTS; or
- assistant teachers at a nursery school or teachers of a nursery class, who were employed as teachers under the Education (Teachers) Regulations 1982 before 1

The statutory requirement is to set a pay range within the upper and lower limits of the pay scale opposite. NYCC strongly recommends that the range opposite is adopted, using the reference points stated, in order to safeguard schools and the LA against equal pay claims.

Unqualified teachers may not receive Teaching and Learning Responsibility Payments or SEN Allowances but may receive points for other relevant experience as per qualified teachers (see section iii above)

The Committee will determine at which pay point a newly appointed unqualified teacher will enter the Unqualified Teachers Pay Scale, having regard to any previous experience, or any qualifications which they possess which are relevant to the post. Once awarded, pay points for Unqualified teachers are permanent for employment within the same school.

The Committee will take advice about the performance of unqualified teachers from the Headteacher and must have regard to the recommendation on pay progression recorded in the teacher's most recent appraisal statement.

The statutory requirement is to set a pay range within the upper and lower limits of the pay scale opposite.

NYCC strongly recommends that the pay scale opposite is adopted for Unqualified Teachers in order to safeguard schools and the LA against equal pay claims

Teachers Employed on a Short Notice Basis</u></p> <p>Teachers employed on a day-to-day or other short notice basis will be paid in accordance with the provisions of the Document on a daily basis calculated on the assumption that a full working year consists of 195 days, periods of employment for less than a day being calculated pro rata.</p> <p>In this school supply teachers will normally be paid on the Main Pay Scale</p>	<p><i>It is recommended that where schools have existing regular supply teachers they continue to be paid on current arrangements. <p><u>10. Other Provisions Relating to Teachers</u></p>	<p><i>Please also see Section 7(1) above in relation to additional payments for Headteachers</i></p>

All types and grades of teachers, including Headteachers and other members of the Leadership Group, are eligible to be considered for the payments detailed below: -

Recruitment and Retention Incentives and Benefits

Such incentive allowances may be awarded by the Committee only to aid the recruitment and/or retention of teachers. The Committee will determine whether an annual allowance will be paid with monthly salary or as a lump sum at the end of a fixed period.

The governing body should make clear at the outset the expected duration of any such incentives and benefits, and the review date after which they may be withdrawn.

Where a teacher is given an incentive or benefit under paragraph 27 of the Document, written notification given at the time of the award should state:

- whether the award is for recruitment or retention;
- the nature of the award
- the amount of the award
- when/how it will be paid (as applicable);
- unless it is a 'one-off' award, the start date and duration of the incentive
- the basis for any reviews which will be applied
- the basis for any repayment should an individual leave the school

It is expected that Recruitment Payments will be made to attract candidates to 'hard to fill posts' and Retention Payments will be made where posts suffer from high turnover due to the easy availability of comparable posts. In order to justify such payments it is recommended that objective data is kept which supports the need for Recruitment and/or Retention Allowances.

It is recommended that Retention Allowances are made for a fixed period and reviewed on an annual basis.

The need to maintain a satisfactory work-life balance must be recognised and it should therefore be accepted that some teachers will be unable or unwilling to undertake CPD and Out of School Hours Learning Activities outside directed time.

Continuing Professional Development

For any CPD activities taking place at weekends or during school holidays the Committee will give consideration to payment in the individual circumstances of the case. No additional payment will be made for such activities which take place within the defined working year.

Initial Teacher Training Activities

Consideration will be given to payment for activities related to providing routine initial teacher training activities in accordance with the provisions of the Document.

Payment for Out of School Hours Learning Activity

Consideration will be given to payment for involvement in out of school hours learning activities which fall outside a teacher's directed time. Examples of such activities may include homework clubs, summer schools and sporting activities. All such activities should require the exercise of a teacher's professional skills or judgement.

In each of the above three categories payment will usually be made at the teacher's normal hourly rate.

Additional Responsibilities

Additional responsibilities and activities due to, or in respect of, the provision of services by the Headteacher relating to the raising of educational standards to one or more additional schools.

Consideration should be given to the remuneration of other teachers who as a result of the Headteacher's additional role are taking on additional responsibilities and activities. This will be based on any additional responsibilities attached to the post (not the teacher), which should be recorded. Any increase in remuneration should only be agreed where the post accrues extra responsibilities as a result of the Headteacher's enlarged role, it is not automatic,

<p><u>Payment for Work undertaken for other Institutions</u></p> <p>The school/college will abide by the following Operating Principles:</p> <p>a. Any services provided by the Headteacher (or other staff member) of one school to another school must be authorised formally by the Governing Body and where the work extends over more than a 12 month period, the agreement of the governing body must be formally reviewed annually, or sooner if appropriate. The Governing Body should also agree arrangements for terminating such work.</p> <p>b. Before such work is undertaken, the Governing Body and the Headteacher must take into account:</p> <ul style="list-style-type: none"> • the needs of the school and its pupils; • the benefits that the activity would bring to the school; • the impact of any absence on other staff, including their workload; and • the workload and work-life balance of all the individuals concerned. <p>c. In particular, before reaching a view the governing body should satisfy itself that these matters have been fully considered within the school's leadership team.</p>	<p><i>and should be in line with the provisions of the Document.</i></p> <p><i>Where the arrangement for the Head teacher is temporary, any adjustment to the pay of other teachers is also temporary, and safeguarding provisions will not apply when the arrangements cease. The Governing Body should consider the appropriate use of acting allowances and other temporary payments. Where there is a Deputy Head in the school, it may be more appropriate to temporarily increase his or her pay range to take account of the increased responsibilities in the absence of the Headteacher.</i></p> <p><i>Committees will wish to consider such factors as:</i></p> <ul style="list-style-type: none"> • <i>whether additional total working time is involved</i> • <i>whether the school needs to pay for cover arrangements</i> • <i>whether the individual receives any payment from the other institution</i> • <i>Whether the school receives any payment from the other institution</i> • <i>whether the individual is undertaking the work primarily for career advancement purposes and/or whether it benefits the school</i> <p><i>Committees should consider the answers to the questions posed above when making a judgement.</i></p>
--	---

<p>d. Arrangements for payment for external work, including personal remuneration, must be clearly stated and formally incorporated into a protocol by the governing body (or the finance committee) and decisions duly minuted.</p> <p>e. The head teacher and governing body should monitor the operation of the arrangements and their impact on staff and pupils and take action where arrangements prove to be unsatisfactory.</p> <p>f. The disposition of any payment, including personal remuneration, for external services must be agreed in advance in accordance with the determinations of the Governing Body. The terms of such an agreement must be set out in a memorandum signed by the Chair of Governors and the Headteacher and any other members of staff involved.</p> <p>g. Any income derived from external sources for the work of a school's staff should accrue to the school. The Governing Body should decide whether it would be appropriate for individual members of staff to receive additional remuneration for these activities, and if so, determine the appropriate amount.</p> <p>h. The Governing Body should ensure that any expenses incurred by the individual as a result of taking on additional work are reimbursed, unless they are accounted for elsewhere</p>

Increments

For support staff who have not yet reached the top of their grades, incremental progression will not be automatic.

Support staff will not receive increments if their manager considers their performance in the previous year was not satisfactory, taking into account identified conduct or capability issues and appraisal outcome.

Additionally, support staff will also not receive an increment if their sickness absence exceeds stated limits:

<u>Period</u>	<u>Max days in year</u>	<u>3 yr total limit</u>
---------------	-------------------------	-------------------------

01.04.15 – 31.03.16	7	21
------------------------	---	----

Only if the maximum sickness absence is exceeded for the period then the 3-year total will be considered (current year plus previous 2 years).

Taking into account performance against the stated criteria, those at the top of the pay band who do not meet the criteria as outlined for increments will have their pay reduced by one spinal column point only. Staff with headroom within the pay band will continue to have their increments withheld. If an increment has been removed the employee is then eligible the following year for an

increment subject to meeting the criteria.

Increments will not be granted where staff do not meet the above criteria. However, exceptions will be considered for:

- One-off absence of normally **not more** than three months where the individual has an otherwise excellent attendance record.
- Staff whose illness prevents them from attending their usual place of work and whose offer to work in a different capacity / location is unable to be accommodated by their manager.
- Where an individual is injured in the course of their duties this may be taken into consideration or where the sickness absence is work related consideration may be given to it being exempt.
- Disability Related Sickness Absence

If the cause of sickness absence was related to pregnancy then this must not be taken into account in the employee's sickness absence total figure for assessment against the target figures.

Recruitment and Retention Payments

Where posts are difficult to fill or staff turnover is particularly high it may be appropriate to introduce a Recruitment and/or Retention Payment.

Schools may choose to issue a pay statement to Support Staff following the increments review process each April.

Recruitment and Retention Payments should only be made where the decision is supported by objective data on recruitment statistics, staff turnover and the local labour market.

Recruitment Payment – is a one-off discretionary payment of up to 10% of annual salary, payable upon commencement of employment. This payment is not available to existing staff or previous staff who re-commence employment within six months of leaving. An employee who leaves during their Probationary Period will be required to repay the full Recruitment Payment. An employee who leaves within two years will be required to repay 1/24 of the Recruitment Payment for each month not completed up to two years' service.

Retention Payment – is a discretionary payment of an amount paid at set intervals, subject to satisfactory performance, but not less than quarterly. Payments may be set at between 3% and 8% of annual salary and should be reviewed at regular (at least annual) intervals in line with market conditions. Retention Payments are not permanent and may be ended or amended by the giving of one month's notice.

Other Pay and Reward Matters for Support Staff

A number of pay and reward issues relating to support staff are contained in the Green Book and the NYCC Pay and Reward Booklet.

These include the following premium payments:

Night Work, Stand By, On Call, Sleeping-in Duty, Weekend Working, Work on Public Holidays.

The school recognises the NYCC single status agreements and will make premium payments accordingly.

Overtime is paid at flat rate.

There are a small number of other payments in the single status agreements which are discretionary for schools – such as Additional Contribution Payments, Thank You Payments and Long Service Awards.

Schools need to decide individually whether they wish to participate in these schemes. Details are contained in the documents listed in section 2 and advice is also available from HR Advisers.

Schools may choose to implement the unpaid leave provisions where there is no cover required or the cost of cover is less than the savings made from the unpaid leave. Where term-time only support staff are concerned, schools should carefully consider if and how the unpaid leave could be taken within term-time without incurring comparable costs.

<p>12. <u>ADDITIONAL MATTERS</u></p> <p><u>Members of Staff Temporarily Undertaking the Duties of More Senior Posts</u></p> <p>Members of staff who cover all of the duties associated with a post of a higher grade than their own for a temporary period of normally at least four working weeks will be paid an additional Sum. This will be equivalent to the difference between their normal salary and the salary or a point on the salary range of the more senior post for as long as the temporary acting-up arrangements apply, backdated to the start of the period of cover.</p> <p>The pay of support staff who undertake a part of the duties of a more senior post for a temporary period of at least four weeks may be awarded a pro-rata sum, if the particular circumstances of the case make this appropriate in the view of the Committee.</p> <p>An employee appointed to cover a temporary vacancy, e.g. an Acting Headteacher, will be paid at a point on the pay range of the vacant post.</p> <p><u>Payments for Residential Staff</u></p> <p>These will be made in line with the provisions of the appropriate national or LA scheme of conditions of service.</p> <p><u>Salary Sacrifice Arrangements</u></p>	<p><i>Governing Bodies should ensure that any relevant information about Salary Sacrifice Schemes is made available to staff at their schools,</i></p>

<p>The school will allow teachers to participate in salary sacrifice schemes which are permitted under Paragraph 29 of the Document and available through the Local Authority. It will also allow support staff to access salary sacrifice schemes available through the Local Authority. The salary sacrifice provisions in place for teachers are currently limited by national regulations to:</p> <ul style="list-style-type: none"> • Childcare vouchers/childcare benefit schemes • Cycle or cyclists safety equipment scheme • Mobile phone scheme (not currently being run at NYCC) <p>Participation in any salary sacrifice arrangement shall have no effect upon the determination of any safeguarded sum to which a teacher may be entitled under any provision of the Document.</p>	<p><i>to enable the staff to decide whether or not salary sacrifice is an appropriate option. - e) was biased; or
- f) otherwise unlawfully discriminated against the employee.

The procedure is as follows:

Stage 1 – Informal discussion

1. The employee receives written confirmation of the pay recommendation and where applicable the basis on which the recommendation was made.
2. If the employee is not satisfied, they should seek to resolve this by discussing the matter informally with the appraiser within ten working days of receipt of the written recommendation.

Stage 2 – Representation Hearing

1. If the employee is dissatisfied with the Recommendation and wishes to make representation against this, they should set down in writing the grounds for appeal and send it to the person (or committee) who made the determination, within ten working days of the outcome of the discussion referred to above.
2. The committee or person who made the determination should provide a hearing within ten working days of receipt of the written grounds for questioning the pay decision to consider this and give the teacher an opportunity to make representations in person. The employee may be accompanied by a trade union representative or work colleague. Following the hearing the employee should be

If the employee continues to be dissatisfied, with the decision, they should set out in writing the grounds for appealing the pay decision and should send it to the Chair of the appeal committee or headteacher within 10 working days of receipt of the written outcome of the stage 2 decision 2. Any appeal should be heard by a panel of governors (minimum two but recommend three) who were not involved in the original determination normally within 20 working days of the receipt of the written appeal notification. The employee will be given the opportunity to make representations in person, accompanied as above if they so wish. The appeal panel may seek information from sources including a representative of the first committee, the Headteacher and the LA. The decision of the appeal panel will be given in writing, and where the appeal is rejected will include a note of the evidence considered and the reasons for the decision. This decision will be final.

Guidance on the Awarding of two incremental points for members of the Leadership Group, Mainscale and Upper Pay Scale Teachers and Leading Practitioners

Mainscale and Upper Pay Scale Teachers

It is recommended that the pay progression for mainscale teachers is addressed in the following manner [\(see also paragraph 6 of this document\)](#) : -

*A performance which **meets requirements** will receive a one-point increase within the pay scale, if headroom allows*

*A performance which **fails to meet requirements** will not receive an increase*

Schools may also consider recognising excellent performance in the following terms but should be aware of the need to have sound objective evidence to justify differentiated pay progression:

*A performance which **significantly exceeds requirements** will receive a two-point increase within the pay scale, if headroom allows*

In addition, schools may wish to insert one or more of the following policy statements: -

- 1. Teachers will not receive pay progression if their performance in the previous year did not meet requirements, taking into account identified conduct or capability issues and appraisal outcome.*

If a period of warning/under-performance crosses two appraisal years pay progression would be withheld only once (in the first year) provided that conduct/performance was acceptable in the remainder of the second year.

Schools may wish to consider adding the attendance criteria below to bring teachers in line with support staff. However, this element is at particular variance with the Professional Associations stance and may therefore be robustly challenged.

2. Additionally, teachers will also not receive an increment if their sickness absence exceeds stated limits:

Period Max days in year 3 yr total limit

01.09.15– 31.08.16	7	21
-----------------------	---	----

Only if the maximum sickness absence is exceeded for the period then the 3-year total will be considered (current year plus previous 2 years).

In relation to the awarding of a two point increase we suggest that the following questions be considered:

- *Have they excelled in relation to the Teachers' Standards?*
- *Have they met or exceeded their performance objectives while at the same time achieving an excellent level of overall performance?*
- *Is there clear evidence of their impact in terms of pupil outcomes? For example, have the majority of pupils they taught made progress that is above expectation based on prior attainment?*

Upper Pay Scale

Teachers will be assessed in accordance with the school's performance management policy to determine whether their contribution to the school has been **substantial and sustained** in addition to meeting the criteria for mainscale teachers stated above.

A performance which **significantly exceeds requirements** will receive a two-point increase within the pay scale, if headroom allows

'substantial' means

Of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning; and

'sustained' means

Maintained continuously over a period of at least two school years. They will be able to demonstrate that their teaching expertise has grown over the relevant period and is consistently at least good.

Leading Practitioners (LPs)

An LP may be awarded one or two additional points within their individual pay range if they have demonstrated a sustained high quality of performance, having regard to the results of the most recent appraisal review and any pay recommendations arising therefrom.

The possibility of awarding two additional points raises the question of what standard of performance would justify the maximum award?

There is no guidance in the STPC&D but the following pointers may be considered:

- *Has the LP completed outreach work - or planning for outreach - for at least 90% of the time available for this purpose?**
- *Has the outreach work received consistently excellent evaluations?**
- *Has the LP successfully undertaken a strategic leadership role?*
- *Is there evidence of highly successful outcomes for teachers and pupils as a result of the LPs interventions?*

** If outreach work is part of the responsibilities of the post*

Schools should be aware of the need to apply consistent judgements to the evidence.

Leadership Group

A Headteacher/Deputy/Assistant Head may be awarded one or two additional points within their ISR or individual pay range if they have demonstrated a sustained high quality of performance, having regard to the results of their most recent appraisal review and any pay recommendations arising therefrom.

The possibility of awarding two additional points raises the question of what standard of performance would justify the maximum award?

There is no guidance in the STPC&D but the following pointers may be considered:

- *Have they met the National Professional Standards in every respect and excelled in relation to particular Standards?*
- *Have they met or exceeded their performance targets while at the same time achieving an excellent level of overall performance?*
- *Is there clear evidence of their impact in terms of pupil outcomes? For example, have rigorous measurable outcomes for pupils (and/or staff and the wider school community) in the School Improvement Plan been fully achieved or exceeded?*
- *Has the school been judged 'outstanding' by Ofsted and/or 'highly effective' by the Local Authority?*

Template Pay Statements

It is a requirement of the School Teachers' Pay and Conditions Document that all teachers are issued with an annual pay statement from 01 September and whenever a change is made to salaries at any other time. Pay statements to be issued within one month of any change in salary.

Schools may also choose to issue pay statements to Support Staff. It is suggested that this is done following the incremental review each April.

Templates for each type of pay statement follow:
