

Music development plan summary: Gargrave CE VC Primary School

All schools should have a music development plan from academic year 2023-24. Schools are expected to publish a summary of their plan on their website from academic year 2024-25.

This template is designed to support schools to produce the summary. It should set out how the school will deliver high-quality music provision in curriculum music, co-curricular music and musical experiences, taking into account the key features in the [national plan for music education](#):

- timetabled curriculum music of at least one hour each week of the school year for key stages 1 to 3
- access to lessons across a range of instruments, and voice
- a school choir or vocal ensemble
- a school ensemble, band or group
- space for rehearsals and individual practice
- a termly school performance
- opportunity to enjoy live performance at least once a year

The summary should reflect your school's music provision for the given school year and your plans for subsequent years. It should also refer to any existing partnership with your local music hub or other music education organisations that supports the school with music provision.

Before publishing your completed summary, delete the advice in this template along with this text box.

This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Your school should already publish the school curriculum for music for each year group online. This should also include how you are increasing access for disabled pupils and supporting pupils with special educational needs (SEND). Include a link to this information in this summary. For more, see the school information guidance on curriculum and on SEND for [maintained schools](#) and for [academies and free schools](#).

If not included in your published school curriculum information, set out how time per week is allocated for curriculum music for each key stage and term (or each half-term) of the academic year.

Also consider including:

- whether your school music curriculum is informed by the [model music curriculum](#) (March 2021), non-statutory guidance for teaching music from Key Stages 1 to 3 or any other published curriculum guidance.
- a brief summary of the opportunities pupils have to learn to sing or play an instrument during lesson time, such as through whole-class ensemble teaching in some or all year groups.
- information on any partnerships the school has to support curriculum music, such as with your local music hub or other music education organisations. If you are a music hub lead school, you can refer to this [here](#).

Part B: Extra-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.

Beyond the lesson time one-to-one, small-group are offered.

These are in accordion, guitar, piano and violin. Charging is in accordance with the charging and remissions policy.

- There is space in school for pupils to rehearse in their own time.

Part C: Musical events

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

Pupils sing in collective worship.

Pupils participate in whole school productions twice a year.

Pupils have a chance to share their talents in worship termly.

We support local concerts and events as they occur in our community. This includes as members of the audience or participating.

In the future

- increasing lesson time to one hour a week each term,
- introducing the teaching of new instruments
-
