

Apple Class - Autumn 1.

Wow, what an amazing half-term. The children have all settled beautifully into school life and are loving, independently, using all areas of the classroom.

Each day has started with some Funky Fingers and a Play Doh disco. They have been superstars with their Phonics and we are eagerly moving onto Phase 3. We've been on an adventure into the woods with Little Red Riding Hood and we are really enjoying using our story maps to retell the tale.

In Maths we've learnt a fabulous number song to help us count to 20 and we've enjoyed using lots of activities to explore numbers to 5 in greater depth.

All of that, as well as harvest paintings, learning about each other's families, making maps of the classroom, cooking with Mrs Bunting and, of course, lots of physical fun outside.

We can't wait for the next half-term to begin!
