About the Club

Triangle Club is open every Monday – Friday, morning 7.30am- 8.55am and afternoon 3.15pm-6.00pm during term. It is run by qualified, caring and motivated staff with a wealth of experience in children and education.

We never forget the scale of our responsibility to the children, parents and staff who form our small community.

What we offer

Our aim is to provide a happy, safe environment for children aged 3 and upwards to relax before and after school.

Our club follows the play work principles, so the children are free to choose activities and resources as they wish. We believe it is very important for our children to take ownership of their club and have a sense of belonging.

What we Provide

At breakfast a selection of cereal or toast is available along with some fresh fruit juice.

In the afternoon we provide healthy snacks, including fresh fruit and vegetables and follow statutory guidelines. Fresh drinking water is available at all times.

We meet individual dietary requirements and parental preferences. We recognise the importance of healthy nutrition for children delivered in a calm, friendly setting.
