Volunteers

We would welcome volunteers into school to help with learning. This could be supporting individuals with their reading. If you are interested or know a family member who might be, please contact Mrs Aldous. Ideally, we need volunteers who can commit weekly, say an hour or two.

Parents Evenings

Appointment times have been sent home. We look forward to seeing you in person. Please enter school via the main entrance.

Each child's work will be sent home this weekend for you to look through. Please send a strong bag to school for your child to bring their work home tomorrow and return all the books on Monday.

There are no after-school clubs except Triangle Club and Kanga next week due to parents evening.

Safeguarding - Online Safety

We have a whole school approach to online safety to protect and educate pupils, students, and staff in their use of technology and establishes mechanisms to identify, intervene in, and escalate any concerns where appropriate. We have online safety as a running and interrelated theme, whilst devising and implementing the whole school approach to safeguarding and related policies and procedures.

Please see planners for the 'Pupil Acceptable Use' agreements for Foundation/ KS1 and KS2 pupils with further details on online safety.

Mrs Ellis—Chair of Governors
Mr Finch—Vice-Chair of Governors
Mr Cowgill—Parent governor
Mrs Harrison—Co-opted governor
Mrs Dallas—Foundation Governor
Rev A Steer—Foundation Governor
Mrs Peel—Head Teacher
Mrs Dawson—Staff Governor

This group work to steer the strategic direction for Gargrave School, ensure finances are balanced and hold the staff to account.

Outdoor Space—The Hopkins Room

We had a volunteer lady who regularly came into school to knit and read with the pupils. When she died she left the school a significant amount of money. The staff and governors have been thinking how best to invest this money for the benefit of the pupils.

After much thought about the future and feedback from parents we have decided to build a dedicated library in a special building. This will be accessible for lesson time and also informal times such as play-times. Some of our pupils would love to spend some time reading at playtimes away from the physically active side of play. The installation work will begin this month.

Collective Worship

Harvest Festival: TOMORROW Friday 7th October 9:30 at church. Please bring any donations of food to school. These will be given to the care homes and the food bank.

30 pupils took part in the cross-country event at Skipton with all the local schools. They all showed determination and 'perseverance' (our school value at present). Three pupils progressed to the next round. Alfie, Grace and Eliza. Good luck and we're super proud of you all.
